Rape Crisis

You are not alone

Trafford Rape Crisis is here to support you....

If you are a woman who has been raped, had unwanted sex, or been touched in a sexual way without being asked, we are here to support you while you sort things out.

We provide someone to talk to on the phone who can listen whilst you tell us what is worrying you right now.

It is not your fault that you have been raped.

It does not matter if the abuse happened today, last month, or when you were younger.

Everything you say will be kept private.

Rape crisis offers FREE support for women, by women.
